LD/OLL JOURNAL NOTE

Date 28 November 1984OLL No. 84-4407/1HILL CONTACT Mary Fitzgerald - Rochester, NY office (716) 263-6270COMMITTEE/MEMBER Congressman Frank HortonSUBJECT Constituent ACTION OFFICER

SUMMARY: BACKGROUND: wrote to OP with a copy sent to IPD ON 24 September 1984 to request the basis for his denied employment. also wrote to his Congressman, Frank Horton, to assist him in getting a basis for his denied employment. (IPD turned the action over to OP because there was no need for IPD's involvement).

After consulting OP, I told Fitzgerald that it is standard policy not to tell people why they are not selected for employment. Also said could file a PA request but the basis for denied employment information would not be included in the package.

Fitzgerald thanked me for the information and said this phone call completed the matter at this time.
